With 150 contributors, thepolitics.co.uk is establishing itself as a key arena for political debate and discussion. Through our strong presence on Facebook and W4MP.org, we are becoming a key networking space for budding Journalists, Academics and Political Commentators.

Role

We are looking for a committed Web Designer who can produce a creative design that will be attractive to the target user with a logical navigation system, making thepolitics.co.uk more accessible. The successful applicant will be expected to play an active role in the team, offering ideas to develop and improve thepolitics.co.uk.

Essential

- Experience of designing and maintaining websites
- Knowledge of HTML, XHTML, CSS and Javascript
- Ability to test the site for functionality in different browsers and at different resolutions
- Experience of Web Advertising
- Knowledge of Widget technology
- Ability to integrate Social Networking sites to thepolitics.co.uk

Desirable

- Experience of developing Facebook applications
- Knowledge of WordPress blogging software
- Ability to develop RSS Feeds
- Skills in e-commerce and server side technologies, such as PHP and .Net
- Knowledge of W3C standards
